**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having competitive broadband has been a great help for us in getting better pricing and service. It's crucial that competition is maintained for ISPs. Americans deserve more choice in their Internet and phone services so that our tech-based economies can continue to thrive and grow until they benefit everyone.
